

# Powered Damper Water Heaters

- Electronic gas control for improved monitoring and service.
- Eco-friendly burner, low NOx design.
- EcoNet WiFi-connected technology and free mobile app give users control over water systems, allowing for customizable temperature, vacation settings, energy savings and system monitoring at home or away.
- Water sensor detects water outside of the unit and sends an alert via the free EcoNet mobile app to the homeowner.
- Premium grade anode rod provides long-lasting tank protection.
- Certified to 10,100 feet above sea level.
- Disables the heater in the presence of flammable vapor accumulation.
- EverKleen patented system fights sediment build-up
- Dual certified for both potable water and space heating.
- Enhanced flow brass drain valve.
